(3,671 yards)

Racecourse Details

Clerk of the Course: Nessie Chanter (07812202904)

Weather

Highs of 29c by 3pm and 31c by 4pm (post racing). We have four vets in attendance and extra water stations with additional man power to ensure horses are cooled down as quickly as possible.

All horses will be dismounted on the track and will walk back up the track towards the 2M 3 bend, where they will cross over to the stable yard from there.
